Synopsis

What do you see when you look at water? Here are ninety-five answers, ninety-five directions, ninety-five possibilities. Here is water in its endlessly new nature. Here in a dictionary because water is the ultimate lexicon. Only recently Scalo of Zurich published Horn's *Another Water (The River Thames, for Example)*. A separate work, *Still Water* is presently being shown at Castello di Rivoli, Torino and soon to be viewed at the Whitney Museum of Art, New York. Another installation titled *Some Thames* has been shown at the Whitney Museum, New York. With the assistance of Nic Tenwiggenhorn, Horn draws from the River Thames instances of water towards a language without words.
