Kurzbeschreibung

**The Sisters of the Heart series comes to a climactic end as the mysterious man from Blythe Daniels' past re-enters her life. Don't miss the final Sisters of the Heart novel from the #1 *New York Times* bestselling "queen of paranormal romance" (J. R. Ward).**

For five years, Viktor Prakenskii has put his life on hold in order to take down the world's most feared motorcycle club from the inside. But carrying out the insane violence and seeing the club's exploitation of the innocent has brought his traumatic past roaring back. And there's only one cure: to see the wife he left behind...

Blythe Daniels thought she'd never see Viktor again after he murdered her stepfather and left without a word. She rebuilt her life without him, becoming a personal trainer and physical therapist...becoming strong enough for others to lean on. But when Viktor comes back to Sea Haven, he'll make Blythe question everything she thought she knew about good and evil—and the dark desires of the heart... Pressestimmen  
The queen of paranormal romance! The one who started it all! I love everything she does (J.R. Ward)

After Bram Stoker, Anne Rice and Joss Whedon (who created the venerated *Buffy the Vampire* series), Feehan is the person most credited with popularising the neck gripper (*Time*)

*Suspenseful, engaging - fraught with magic, action and romance . . . I HAVE to read the next one in the series (Smexy Books)*

Ms. Feehan is unsurpassed in romantic fantasy; her imagination knows no bounds in creating unique and fresh tales that abound in steamy sensuality, fantastical imagery and lyrical prose (*Rendezvous*)

The amazingly prolific author's ability to create captivating and adrenaline-raising worlds is unsurpassed (*Romantic Times*)

One of the best current voices in the darker paranormal romance subgenre . . . intense, sensual, and mesmerizing (*Library Journal*) Werbetext

**The #1 *New York Times* bestselling author of the Sea Haven novels returns to the circle of the six sisters of the heart, bound by the elements**
