Kurzbeschreibung

Größer ist besser: Der ultimative Tom of Finland Synopsis

This title presents the complete life and work of the artist Tom of Finland. In 1998, Taschen introduced the world to the masterful art of Touko Laaksonen with "The Art of Pleasure". Prior to that, Laaksonen, better known as Tom of Finland, enjoyed an intense cult following in the international gay community but was largely unknown to the broader audience. "The Art of Pleasure" gave Tom well-deserved recognition and increased his following exponentially; "Tom of Finland XXL" will fix him forever in the realm of fine art. With dimensions of 29 by 40.5cm and 704 pages, "Tom of Finland XXL" contains nearly 1000 images, covering 6 decades of the artist's career. The work was gathered from all known collections across the US and Europe with the help of the Tom of Finland Foundation and features many drawings, paintings and preparatory sketches that have never been reproduced in any book. Other images have only been seen out of context and will be presented here in the sequential order Tom intended for full artistic appreciation and erotic impact. This elegant oversized volume will showcase the full range of Tom's talent, from sensitive portraits to frank sexual pleasure to tender expressions of love to Tom's haunting tributes to young men struck down by the AIDS epidemic. Completing this collector's edition are eight specially-commissioned essays on Tom's social and personal impact by Camille Paglia, John Waters, Armistead Maupin, Todd Oldham, and others, plus a scholarly analysis of individual drawings by art historian Edward Lucie-Smith. For the man - or woman - who thinks bigger is better, "Tom of Finland XXL" is certain to satisfy. Über den Autor und weitere Mitwirkende
