Kurzbeschreibung

She survived a trial year at the Academy of Magic, but that was the easy part...

Now sixteen-year-old Ryiah is an apprentice of Combat, her school's most notorious faction. When she finishes, she will be a war mage, but in order to do so, she has to survive four years traveling across Jerar, training with a master she hates, her old nemesis, Priscilla, and Prince Darren, her sometimes-rival sometimes... more?

Ry's new apprenticeship is nothing like what she prepared for. War is on the horizon and her lessons aren't just for practice anymore.

It's time to fight.

***** The second book in the *The Black Mage* series by USA Today bestselling author Rachel E. Carter.**

*******Pressestimmen

Praise for Rachel E. Carter's bestselling *The Black Mage* series: "It takes a lot for me to truly fall in love with a book. I think I maybe do this once or twice a year. This is one of those times. I found a new fantasy story that sucked me in (completely). Imagine my surprise that it was YA too. Y'all know me. Normally, I go for the NA and above reads. But this series...it just has that something "extra." That extra punch that drags you in and won't let go. I hope you give it a try. It's THAT good." - Scarlett Dawn, NYT & USA Today bestselling author of *Forever Evermore* "A magical academy where potential mages train and study all things magic, a love-hate relationship with an arrogant prince, and a determined and unyielding female heroine? Sign me up." - Raisa Santos - TheFandom.Net "Falling somewhere between the magic of Hogwarts and the excitement of *Hunger Games*, this story resides in the niche rather nicely!" - Margaret Faria - InD'Tale Magazine "This has undoubtedly become one of my favorite YA fantasy series. Hands down, no competition." -Melissa, EverSoMela, top Goodreads reviewer "Rachel E. Carter has a definite fan in me forever, keep doing what you're doing Rachel because you write an amazing story!" -Emmeline, The Book Herald, top Amazon reviewer
